

Everlasting Funeral Advisors

Supporting families with clarity and compassion through life's most delicate moments

How the Everlasting Funeral Advisors System Works

We've created a simple, thoughtful approach to help you navigate funeral planning with confidence and peace of mind.

Complete Reference Guide

A comprehensive resource that walks you through every decision, from choosing services to understanding costs and customs.

Step-by-Step Checklists

Organized lists that break down complex processes into manageable tasks, so nothing gets overlooked during difficult times.

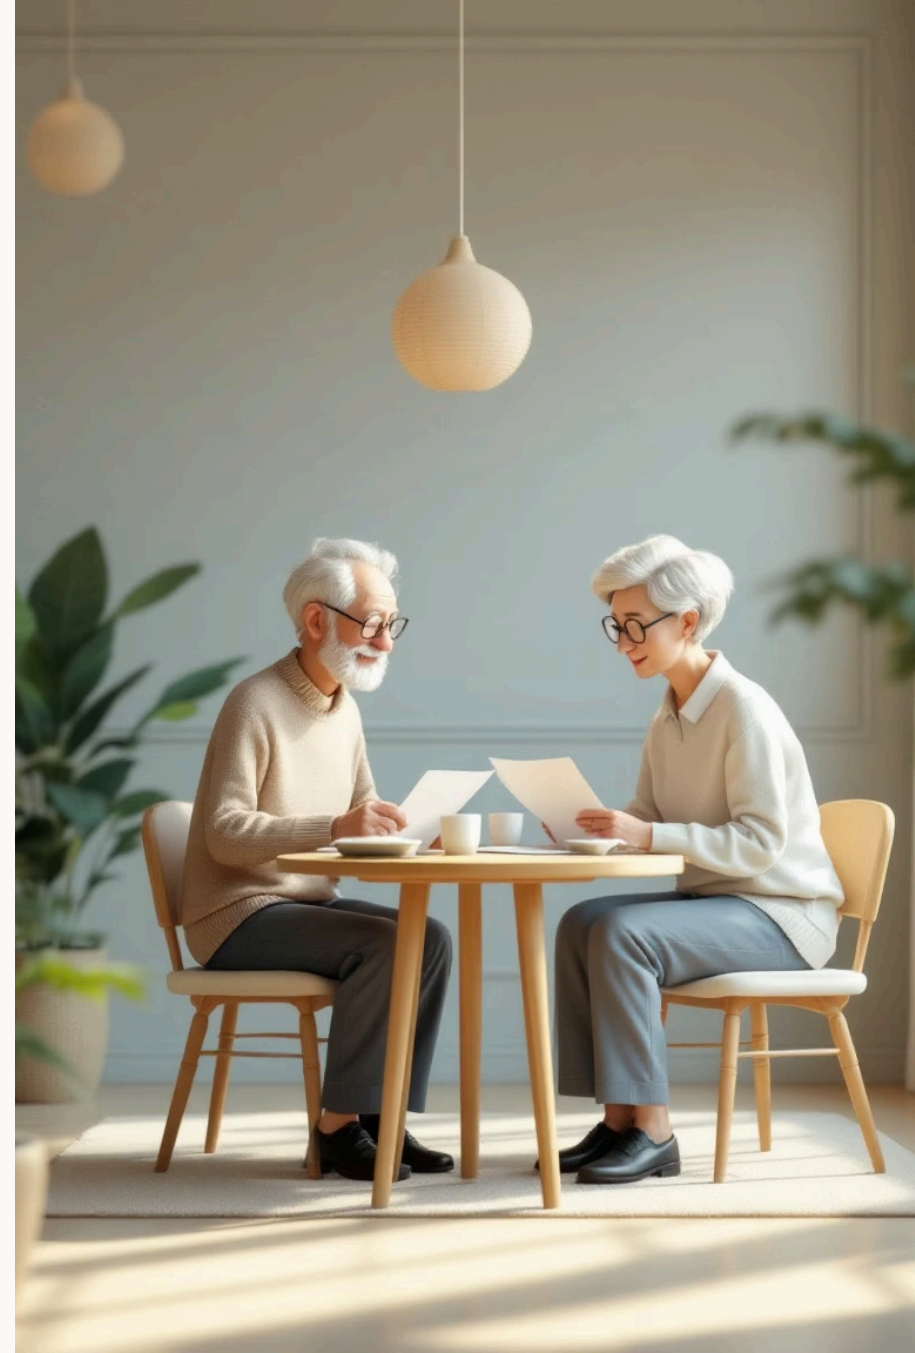

Easy-to-Use App

Access your plans, checklists, and important documents anytime, anywhere—keeping everything you need in one secure place.

What Is Pre-Planning?

Pre-planning means making funeral and end-of-life decisions in advance, when you have time to think clearly and discuss your wishes with loved ones.

It's one of the most thoughtful gifts you can give your family—removing uncertainty and financial stress during an already emotional time. Pre-planning also ensures your wishes are honored exactly as you intended.

What You Can Organize Ahead

1

Service Preferences

Type of ceremony, location, religious or secular elements, music selections, and who will speak or participate

2

Final Arrangements

Burial or cremation choice, casket or urn selection, cemetery plot details, and memorial marker preferences

3

Personal Touches

Photos for display, meaningful readings or poems, flower preferences, charitable donations, and special requests

4

Important Documents

Will, insurance policies, financial accounts, property deeds, passwords, and contact lists for family and friends

Free Pre-Planning Checklist

Download our comprehensive pre-planning checklist at no cost. It guides you through every consideration with clear, simple questions.

Take your time working through it at your own pace. You can save your progress and return to it whenever you're ready.
